IAAE Concurrent Events

OBD2 Scanner Demonstration

On-Board Diagnostic(OBD) inspection will be required for all vehicles which had been manufactured on and after October 2022 due to Japanese government measure from October 2024. IAAE exhibitors provided the opportunity to see and touch latest certified OBD2 scanners by demonstrating using a vehicle set up at the special demonstration space.

Demonstrators: ALTIA, Empire Motor, Hitachi Astemo, INTER SUPPORT, LAUNCH, SNAP-ON, SEIBI SUPPORT, Toolplanet

Painting Demonstration

Painting demonstrations held by IAAE exhibitors at a special painting booth in the south hall-2. As conventional solvent-based paints are increasingly being replaced with water-based paints with the aim of reducing environmental impact by reducing VOCs, visitors were able to experience the latest solutions from paint manufacturers.

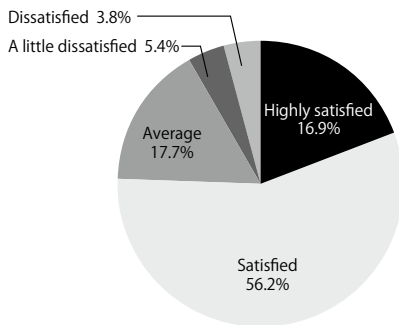

Demonstrators: Axalta Coating Systems, Fenix Japan, Isamu Paint, Kansai Paint, Nippon Paint, Rock Paint

*Fenix JAPAN demonstrated applying the paint protection film.
